EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Rogitz, Registration no. 33,549 on 1/4/07.

The application has been amended as follows:

In Claims

Cancel claims 24-28.

Allowable Subject Matter

Claims 21-23 (renumbered 1-3) are allowed.

The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination does not fairly suggest the claimed invention of computer program which allows bidirectional device communication through and around fire walls when a dedicated communication port is utilized. Claim 21 is directed to obtaining information and using the identification of an internet site causing a browser associated with the client browser plug in to retrieve the information related to the service information

without causing the firewall to block the information related to the service information.

Therefore, it allows communication between a client application and a remote device in a network environment having security restrictions, and more particularly, to a system for providing information sent with digital audio signals from an auxiliary source to a radio receiver, particularly, a vehicle radio receiver.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
